

**North Carolina Division of Medical Assistance  
North Carolina Medicaid and Health Choice  
Preferred Drug List (PDL)  
Effective November 11, 2016**

**TABLE OF CONTENTS**

|  |          |
|--|----------|
| <b>ALZHEIMERS AGENTS.....</b>                              | <b>1</b> |
| <b>ANALGESICS .....</b>                                    | <b>1</b> |
| NARCOTIC ANALGESICS .....                                  | 1        |
| <i>Long acting.....</i>                                    | <i>1</i> |
| <i>Orally disintegrating/oral Spray.....</i>               | <i>1</i> |
| <i>Short Acting Schedule II.....</i>                       | <i>2</i> |
| <i>Short Acting Schedule III-IV .....</i>                  | <i>3</i> |
| NSAIDS.....  | 3        |
| <b>ANTICONVULSANTS.....</b>                                | <b>3</b> |
| CARBAMAZEPINE DERIVATIVES .....                            | 3        |
| FIRST GENERATION .....                                     | 4        |
| SECOND GENERATION .....                                    | 4        |
| <b>ANTIBIOTICS .....</b>                                   | <b>4</b> |
| CEPHALOSPORIN AND RELATED .....                            | 4        |
| LINCOSAMIDES AND OXAZOLIDINONES .....                      | 4        |
| MACROLIDES AND KETOLIDES .....                             | 5        |
| NITROMIDAZOLES .....                                       | 5        |
| QUINOLONES.....  | 5        |
| TETRACYCLINE DERIVATIVES.....                              | 5        |
| ANTIFUNGALS.....   | 6        |
| ANTIVIRALS .....   | 6        |
| <i>Hepatitis B Agents.....</i>                             | <i>6</i> |
| <i>Hepatitis C Agents.....</i>                             | <i>6</i> |
| HERPES .....   | 7        |
| INFLUENZA.....   | 7        |
| <b>BEHAVIORAL HEALTH.....</b>                              | <b>7</b> |
| ANTIDEPRESSANTS .....                                      | 7        |
| <i>Other.....</i>  | <i>7</i> |
| <i>Selective Serotonin Reuptake Inhibitor (SSRI).....</i>  | <i>7</i> |
| ANTHYPERKINESIS.....                                       | 8        |
| ATYPICAL ANTIPSYCHOTICS .....                              | 8        |
| <i>Injectable Long Acting .....</i>                        | <i>8</i> |
| <i>Oral .....</i>  | <i>8</i> |
| <b>CARDIOVASCULAR.....</b>                                 | <b>9</b> |
| ACE INHIBITORS.....  | 9        |
| ACE INHIBITOR CALCIUM CHANNEL BLOCKER COMBINATIONS .....   | 9        |
| ACE INHIBITOR DIURETIC COMBINATIONS.....                   | 9        |
| ANGIOTENSIN II RECEPTOR BLOCKERS.....                      | 9        |
| ANGIOTENSIN II RECEPTOR BLOCKER COMBINATIONS.....          | 10       |
| ANGIOTENSIN II RECEPTOR BLOCKER DIURETIC COMBINATIONS..... | 10       |
| ANTIARRHYTHMICS .....                                      | 10       |
| BETA BLOCKERS.....   | 10       |
| BETA BLOCKERS DIURETIC COMBINATIONS .....                  | 11       |
| BILE ACID SEQUESTRANTS .....                               | 11       |
| CHOLESTEROL LOWERING AGENTS .....                          | 11       |
| CORONARY VASODILATORS .....                                | 11       |
| DIHYDROPYRIDINE CALCIUM CHANNEL BLOCKERS.....              | 12       |
| DIRECT RENIN INHIBITORS .....                              | 12       |

|  |           |
|--|-----------|
| ENDOTHELIN RECEPTOR ANTAGONISTS.....                           | 12        |
| INHALED PROSTOCYCLINE ANALOGS .....                            | 12        |
| NIACIN DERIVATIVES .....                                       | 12        |
| NITRATE COMBINATIONS .....                                     | 12        |
| NON-DIHYDROPYRIDINE CALCIUM CHANNEL BLOCKERS .....             | 12        |
| ORAL PULMONARY HYPERTENSION .....                              | 13        |
| PLATELET INHIBITORS .....                                      | 13        |
| RANEXA.....  | 13        |
| SYMPATHOLYTICS AND COMBINATIONS .....                          | 13        |
| TRIGLYCERIDE LOWERING AGENTS.....                              | 13        |
| <b>CENTRAL NERVOUS SYSTEM.....</b>                             | <b>13</b> |
| ANTIMIGRAINE AGENTS .....                                      | 13        |
| ANTINARCOLEPSY .....   | 14        |
| ANTIPARKINSON AND RESTLESS LEG SYNDROME AGENTS.....            | 14        |
| MULTIPLE SCLEROSIS.....  | 14        |
| SEDATIVE HYPNOTICS.....  | 14        |
| SMOKING CESSATION.....   | 15        |
| <b>ENDOCRINOLOGY .....</b>                                     | <b>15</b> |
| GROWTH HORMONE .....   | 15        |
| HYPOGLYCEMICS.....   | 15        |
| <i>Rapid Acting Insulin</i> .....                              | 15        |
| <i>Short Acting Insulin</i> .....                              | 15        |
| <i>Intermediate Acting Insulin</i> .....                       | 15        |
| <i>Long Acting Insulin</i> .....                               | 15        |
| <i>Premixed Combination Insulin</i> .....                      | 15        |
| <i>Premixed 70/30 Combination Insulin</i> .....                | 16        |
| <i>Amylin Analogs</i> .....                                    | 16        |
| <i>GLP-1 Receptor Agonists</i> .....                           | 16        |
| HYPOGLYCEMICS – ORAL .....                                     | 16        |
| <i>2<sup>nd</sup> Generation Sulfonylureas</i> .....           | 16        |
| <i>Alpha-Glucosidase Inhibitors</i> .....                      | 16        |
| <i>Biguanides and Combinations</i> .....                       | 16        |
| <i>DDP-IV Inhibitors and Combinations</i> .....                | 16        |
| <i>Meglitinides</i> .....                                      | 17        |
| <i>Meglitinides Combinations</i> .....                         | 17        |
| <i>Sodium-Glucose Co-Transporter 2 (SGLT2) Inhibitor</i> ..... | 17        |
| <i>Thiazolidinedione and Combinations</i> .....                | 17        |
| <b>GASTROINTESTINAL.....</b>                                   | <b>17</b> |
| ANTIEMETIC-ANTIVERTIGO AGENTS .....                            | 17        |
| BILE ACID SALTS.....   | 18        |
| H PYLORI COMBINATIONS .....                                    | 18        |
| HISTAMINE-2 RECEPTOR ANTAGONISTS .....                         | 18        |
| PANCREATIC ENZYMES .....                                       | 18        |
| PROGESTIN USED FOR CACHEXIA .....                              | 18        |
| PROTON PUMP INHIBITORS .....                                   | 18        |
| SELECTIVE CONSTIPATION AGENTS.....                             | 18        |
| ULCERATIVE COLITIS .....                                       | 19        |
| <i>Oral</i> .....  | 19        |
| <i>Rectal</i> .....  | 19        |
| <b>GENITOURINARY/RENAL .....</b>                               | <b>19</b> |
| BENIGN PROSTATIC HYPERPLASIA TREATMENTS .....                  | 19        |
| ELECTROLYTE DEPLETERS .....                                    | 19        |
| URINARY ANTISPASMODICS .....                                   | 19        |
| <b>GOUT .....</b>  | <b>20</b> |
| ANTHYPERURICEMICS .....  | 20        |
| <b>HEMATOLOGIC .....</b>                                       | <b>20</b> |

|   |           |
|---|-----------|
| ANTICOAGULANT.....                                  | 20        |
| <i>Injectable</i> .....                             | 20        |
| <i>Oral</i> .....                                   | 20        |
| HEMATOPOIETIC AGENTS.....                           | 20        |
| THROMBOPOIESIS STIMULATING AGENTS.....              | 20        |
| <b>OPHTHALMIC.....</b>                              | <b>20</b> |
| ALLERGIC CONJUNCTIVITIS AGENTS.....                 | 20        |
| ANTIBIOTICS.....                                    | 21        |
| ANTIBIOTIC-STEROID COMBINATIONS.....                | 21        |
| ANTI-INFLAMMATORY.....                              | 21        |
| GLAUCOMA.....                                       | 22        |
| <i>Alpha 2 Adrenergic Agents</i> .....              | 22        |
| <i>Beta Blocker Agents</i> .....                    | 22        |
| <i>Carbonic Anhydrase Inhibitors</i> .....          | 22        |
| <i>Prostaglandin Agonists</i> .....                 | 22        |
| <b>OSTEOPOROSIS.....</b>                            | <b>22</b> |
| BONE RESORPTION SUPPRESSION AND RELATED AGENTS..... | 22        |
| <b>OTIC.....</b>                                    | <b>22</b> |
| ANTIBIOTICS.....                                    | 22        |
| ANTI-INFECTIVES AND ANESTHETICS.....                | 23        |
| <b>RESPIRATORY.....</b>                             | <b>23</b> |
| BETA-ADRENERGIC HANDHELD, LONG ACTING.....          | 23        |
| BETA-ADRENERGIC HANDHELD, SHORT ACTING.....         | 23        |
| BETA-ADRENERGIC NEBULIZERS.....                     | 23        |
| BETA-ADRENERGIC ORAL.....                           | 23        |
| COPD AGENTS.....                                    | 23        |
| CORTICOSTEROIDS.....                                | 23        |
| CORTICOSTEROID COMBINATIONS.....                    | 24        |
| INTRANASAL RHINITIS AGENTS.....                     | 24        |
| LEUKOTRIENE MODIFIERS.....                          | 24        |
| LOW SEDATING ANTIHISTAMINES.....                    | 24        |
| LOW SEDATING ANTIHISTAMINE COMBINATIONS.....        | 25        |
| <b>TOPICALS.....</b>                                | <b>25</b> |
| ACNE AGENTS.....                                    | 25        |
| ANDROGENIC AGENTS.....                              | 26        |
| ANESTHETICS.....                                    | 26        |
| ANTIBIOTIC.....                                     | 26        |
| ANTIBIOTIC-VAGINAL.....                             | 26        |
| ANTIFUNGAL.....                                     | 26        |
| ANTIPARASITICS.....                                 | 27        |
| ANTIVIRAL.....                                      | 27        |
| IMMUNOMODULATORS.....                               | 27        |
| <i>Atopic Dermatitis</i> .....                      | 27        |
| <i>imidazoquinolinamines</i> .....                  | 27        |
| PSORIASIS.....                                      | 27        |
| ROSACEA AGENTS.....                                 | 28        |
| STERIODS.....                                       | 28        |
| <i>Low Potency</i> .....                            | 28        |
| <i>Medium Potency</i> .....                         | 28        |
| <i>High Potency</i> .....                           | 28        |
| <i>Very High Potency</i> .....                      | 29        |
| <b>MISCELLANEOUS.....</b>                           | <b>29</b> |
| EPINEPHRINE, SELF-INJECTED.....                     | 29        |
| ESTROGEN AGENTS, COMBINATIONS.....                  | 29        |
| ESTROGEN AGENTS, ORAL/TRANSDERMAL.....              | 29        |

|   |           |
